THE SPACE

Imagine having cocktails with a 20-ft reticulated python & a 1,100 lb Nile crocodile...

There's no better way to liven up a special event than to include some of the world's most amazing reptiles on your guest list!

A **versatile 25,000-sq ft facility** - the heart of which is an impressive reptile zoo - is equipped to hold a variety private and corporate functions, while providing a touch of the exotic to make your event *wildly exciting!*

THE ZOO

Vaughan's Reptilia Zoo is a **state of the art** facility with over 50 large exhibits that showcase hundreds of different reptiles and amphibians.

Our **naturalistic exhibits** are carefully designed to mimic our animals' natural habitats. They draw you and your guests into the reptilia world, and offer unique photo opportunities.

Take your guests around the world!

- Dive underwater to see our green anacondas in the Amazon River
- Travel to a remote Pacific island and hang out in the trees with a family of monkey tailed skinks
- Hang out in the swampy bayous with our American alligators

FORMAL EVENTS

“Remember that time we had dinner with an Egyptian cobra?”

Throw your guests a party they'll still be talking about months after your event! From corporate gatherings to cocktail parties, Reptilia provides a one-of-a-kind event space that combines a quiet ambience with the thrill of being inches away from venomous snakes, giant tortoises, and swimming crocodilians!

Let us set up your event for you!

We provide a variety of services to make your event as smooth and stress-free as possible. We offer coat-check services for your guests, and we will work with your preferred catering service to set up dinner or cocktail tables prior to your arrival.

Want to get even more personal with the animals? **Meet & Greet** stations can be in the zoo. Our knowledgeable and friendly Zoo Keepers will bring out some of our docile snakes, lizards, turtles, and even young alligators for your guests to see and touch!

FAMILY EVENTS

Let the whole family in on the fun! Spice up your Christmas party by hosting it at our zoo - the kids will have plenty of space to run around, while the adults can enjoy some quiet conversation while checking out a medley of fascinating animals.

Live entertainment for all ages

Instead of watching a movie, what about an interactive **Reptile Theatre Show** instead? Our Zoo Keepers put on lively stage shows right in our zoo theatre. Your guests will learn cool facts about all sorts of big and small reptiles - and get to touch them, too!

RENTAL DETAILS

All rental packages include **4 hours of exclusive facility use** for your party. Our zoo has a capacity of up to 500 guests, and parking is always free.
